

REPLACE A TONER

KONICA MINOLTA BIZHUB - A3

CYAN MAGENTA YELLOW BLACK

Open the front cover by gently pulling the handles on either side of the cover

Remove old toner by grasping the coloured handle and pulling straight out towards yourself

Take new toner out of box and shake new toner side-to-side a few times

Insert new toner by sliding in the same way

Close front cover by lightly pushing anywhere along the top of the cover

For further assistance, get in touch with our Service Team at service@docsol.com.au
